BAPCO 2020

The Annual Event for Public Safety Technology

10 - 11 MARCH 2020
RICOH ARENA, COVENTRY
BAPCO-SHOW.CO.UK

What New Skills do we need in Public Safety Communications and I.T.?

Skills – P.S. Communications

- Skills in different multimedia(i.e. streaming video, photos)
- Better stress management skills,
- Data Analysis,
- No longer label the skill multitasking but define it as processing and prioritizing information, switching back and forth between tasks quickly being able to remember to go back and complete unfinished tasks.

BAPCO The Annual Event 2020
10 - 11 MARCH 2020
RICOH ARENA, COVENTRY
BAPCO-SHOW.CO.UK

Skills for I.T.

- Currently there is a gap between GIS professionals, Telecom professionals and general IT professionals,
- Next Generation environments/architecture represents the intersection of all of these disciplines,
- Cybersecurity,
- The Next Generation architecture/network.
