A Care Plan Guide for Emergency Number System Leaders: “What do we do now?”

Control Room Leader's Post Tragedy Care Checklist

Managing Post-Tragedy Care

**Calls for Leadership,
and all hands on deck
rallying the same
dedication you give to
saving others' lives...**

The Control Room Leader's Post Tragedy Care Checklist

It's not a perfect tool based on exact science...we need your input to improve it, and research to measure its value.

BOTTOMLINE: *when HIE's happen, our Control Rooms need help to respond systematically with good science as our guide.*

That's what the Post Tragedy Care Checklist & Resources are all about...

So, help us help you!
